FREEDOM
IS NOT FREE

Free From Sin

“Most people understand the fact that we’ve been freed from our sin, but how many people understand the significance?”

The Price of Freedom

Isaiah 53:4-6

- *Our bondage is our fault*
- *Our freedom was bought at the price of a human life and sacrifice*

Freedom Means...

- *Freedom means we are held to a standard*
- *Freedom means we will be held accountable*
- *Freedom means we will remember the sacrifice*
